“Defining Information Governance in Today’s Business Realities”
Presented by Nick DeLaurentis, President, ARMA International
Tuesday, January 11th, 2011

This month’s program will feature Nick De Laurentis, CRM, and current President of ARMA International, who will share his insights into developing an Information Governance program in light of the numerous laws, rules, regulations and compliance requirements in our current business environments.

Learning Objectives:

- Information Governance Defined
- Challenges in Developing an Information Governance Program
- Mitigating Information Governance Challenges

Who Should Attend: Records Managers, Information Technology Managers, Privacy Managers, Compliance Managers, Risk Managers, and those working with or wanting to learn more about Compliance and Information Governance.

Date: Tuesday, January 11th, 2011

Location: Cuna Mutual (see attached map for directions)
5810 Mineral Point Road
Madison, WI
608.231.7583 (Facility contact)
